24 Hour Emergency Phone Number	Chemtrec 1-800-424-9300
Emergency Telephone	1-419-248-5330 (after 5 pm ET and weekends)

LETTER

Customer satisfaction and safety are top priorities at NEI. Part of that commitment is providing you with information regarding the products we manufacture and sell. One means by which we provide health information about our products is through safety data sheets (SDSs). However, some of our products pose no health or physical hazard and are classified as "articles" as defined by the Occupational Safety and Health Administration's (OSHA)

Articles are exempt from the requirement of publishing Safety Data Sheets (SDSs). Title 29 of the Code of Federal Regulations, Section 1910.1200 (amended), specifically states that it does not apply to articles

NEI products meet the article definition. An article is defined in the standard as follows:

" means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical (as determined under paragraph (d) of this section), and does not pose a physical hazard or health risk to employees."

Private label products manufactured by NEI also meet the article definition.

We hope this satisfies your needs. If more information is required, or if you have additional questions, please call (419) 248-6239. Get product hazard information and Safety Data Sheets for other Owens Corning® products electronically via Internet: <http://www.owenscorning.com> or call 1-800-GET-PINK® (1-800-438-7465)
